

The Roster of Enrolled Members of the
Hawaiian Mission Children's Society on
February 1, 2016

Each name is preceded by symbols identifying the family or families from which a member descends. The numeral after the dash indicates the generation to which that individual belongs. Those arriving in Hawai'i were the first generation and their grandchildren are listed as the third generation, for example. An asterisk (*) indicates a consort. Families with an x are adopted families.
